**RE: California Register of Historical Resources Nomination of Willow Glen Trestle  
over Los Gatos Creek**

Dear Mr. Ames:

The above-named resource is being nominated to the California Register of Historical Resources (California Register). The State Historical Resources Commission (Commission) is scheduled to take action on this nomination at its next regular quarterly meeting. (Details regarding the meeting are enclosed.) At the meeting any interested party, government entity, or member of the public may address the Commission regarding the nomination prior to the Commission taking action on the nomination. Any interested party, government entity, or member of the public may also submit to the Commission written comments regarding the nomination. Comments should be submitted to California State Parks, Attn: Office of Historic Preservation, Julianne Polanco, State Historic Preservation Officer, 1725 23<sup>RD</sup> Street, Suite 100, Sacramento, California 95816. So that the Commission may have adequate time to consider such comments, it is requested, but not required, that such comments be submitted to the State Historic Preservation Officer 15 days before the meeting.

The California Register is an authoritative guide to the state's significant historical and archeological resources. Generally, there are no restrictions placed upon a private property owner with regard to normal use, maintenance or sale of a resource listed in the California Register. Resources listed in of eligible for listing in the California Register must be given consideration in the California Environmental Quality Act ("CEQA") review process. Further information is available in Technical Assistance Series #1 "California Environmental Quality Act (CEQA) and Historical Resources," published by Office of Historic Preservation and available by mail or online at [www.ohp.parks.ca.gov](http://www.ohp.parks.ca.gov).

If you have questions, please contact the Registration Unit at (916) 445-7004.

Sincerely,
